Risks Associated with Manual Tasks (Refresher)

OHSG003A Risks Associated with Manual Tasks (Refresher)

This 2 Hour Course is a refresher program to ensure persons are abreast of changes in legislation and to ensure persons have not developed any bad habits that could lead to muscular skeletal injury when performing manual tasks. The Course is a Duty of Care short course designed to meet WHS Obligations for training and covers the following topics:

- Legislation and Australian Standards
- Codes of Practice
- Risk Management/Hazard Identification
- Musculoskeletal Injury Risks
- Planning & Preventative Measures
- Manual Task Risk Factors
- Lifting Techniques
- Practical Exercises

Cost per person is \$240.00, participants will be issued with a Statement of Attendance and a durable plastic card upon successful completion.
