Working Safely at Heights (Harness Inspection)

OHSG011B Working Safely at Heights (Harness Inspection)

This 2 Hour Course is designed for persons who work at heights and often wear a harness. This course teaches the student how to safely wear a harness, and how to inspect and determine the condition of a harness.

The Course is a Duty of Care short course designed to meet WHS Obligations for training and covers the following topics:

- Legislative Requirements
- Australian Standards
- Planning and Preparation
- Inspection Periods
- Individual Fall Arrest & Restraint Systems
- Selection and Fitting
- Care and Maintenance
- Practical Inspection
- Practical Operation

Cost per person is \$240.00 , participants will be issued with a Statement of Attendance and a durable plastic card upon completion.
